

ST SAVIOUR'S GUILDFORD

Children's Ministry Team Job Description and Person Specification CHILDREN'S MINISTRY TEAM MEMBER– CLIMBERS (Aged 4-6)

VISION

To build a diverse, multigenerational church community that **equips** everyone for whole life discipleship, **invests** in emerging generations and **transforms** our town in the power of Jesus

Our vision is to help children, and their families, experience the love of God and grow in faith by creating safe, welcoming, and fun spaces where they can learn to follow Jesus. We are committed to investing in the next generation, nurturing a lifelong relationship with Jesus through Bible teaching, worship, friendship, and play. Alongside our regular children's groups, we run community events such as holiday clubs, family craft days, and seasonal celebration services, providing opportunities for families to connect, experience church, and hear the good news of Jesus. As part of the wider church, we want to share the hope of Jesus with families in our parish and beyond, playing our part in transforming our community in Guildford. As a team, we support one another in our faith, develop our gifts, and build strong relationships that reflect the heart of the church.

SAFEGUARDING

Safeguarding is at the heart of everything we do at St Saviour's. As a church family we want everyone, both adults and children, to feel and to know they are safe as they take part in the life of the church. Safeguarding is the responsibility of everyone in the church. We are all committed to safeguarding and promoting the welfare of children, young people and vulnerable adults.

St Saviour's PCC has adopted the Church of England's Safeguarding Policy, 'Promoting a Safer Church' as the basis of its safeguarding policies and procedures. All applicants for employed or voluntary roles working with children, young people and vulnerable adults are subject to safer recruitment protocols including relevant pre appointment checks. This will include a satisfactory enhanced DBS check. Successful applicants are also required to ensure their safeguarding training is kept up to date.
